These medicines have been sold on this guarantee for many years and there could be no more conclusive evidence of their great merit. Ask about them and give them a trial. Sold at Wm. E. There is a Relief for You as Sure as the Sun Shines.

"Thumpety thump!"—there he hobbles, another poor unfortunate limping along life's way, with a pain-racked body and a bitter heart.

But rheumatic sufferers should not give up hope.

Specific Remedy Co., Kalamazoo, Mich.:

Gentlemen:—For upwards of twenty years I have suffered from Sciatic Rheumatism, during which time I have sought relief in many ways, treating with leading physicians at home and abroad, but with no approach to anything like a cure until I began the use of Rheumatism. It has been my custom to take treatment at Mount Clemens, and even European and other similar retreats, but I cannot say that they have given me, at best, more than temporary relief. I have derived more benefit in the past few months from the use of your medicine than I have from the combined use of all other medicines and treatments taken in the past twenty years, or since Rheumatism first took hold on me. I have personal knowledge of several other remarkable cures effected by Rheumatism, and truly believe it to be the greatest remedy of the age.

Faithfully yours,
